Part B for Sept 37.

SUBJECT.

Appointment of probationers in the Department of Mines and Explosives

D 2158-6 (Ad. b. 9. 37)

To Chief Insp of mines & Explosives
Dir of Geology
Gen Secy
Comptr Treas

WD 0418—GPB—22,500—29-8-36

Sanctions the entertainment of 2 probationers on Rs 120 p.m. and appoints a Committee for selection

Serial No. 2

From the Chief Inspector of Mines & Geologist No 2655- dated 11/5/37

Proposes certain service arrangements consequent on the retirement of Mr C. R. Gurgavarayana Rao & the leave of the services of Mr. G. P. David, Junior Inspector, to the Jaypur State

And the Chief Inspector recommends

(1) that Mr. R. S. Baliga may be confirmed as Junior Inspector of Mines and appointed as acting Assistant Inspector of Mines in place of Mr. David,

(2) that one Mohr of the Geological Survey may be temporarily transferred to the Mines Department to fill up the vacancy of the Junior Inspector of Mines during the absence of Mr. David

& (3) that a Probationer in place of Mr. Baliga may be appointed on a pay of Rs 80/- + H.R. Rs 20/- P.M. by calling for applications the period of probation being fixed at two years.

2 Reference is invited to G.O. No 1445-7 Genl 105-29-8 dated 27/10/30 according to which the Inspectorate of the Geological

consist of

(1) 1. chief Inspector

(2) 1. Inspector

(3) 1 Assistant Inspector

(4) 1. Junior Inspector

(5) 1. Probationer.

3 Mr. Duraiswamier has been placed in charge of the duties of the chief Inspector and the question of appointment to his confirmation is still pending in the C.B, ~~Vide correspondence~~ and till this is disposed of there can be no consequential Vacancies to be filled up. The proposal to confirm Mr Boulin as Junior Inspector of Mines & to transfer an officer of the Forest Deptt have to be taken up for consideration after Mr. Duraiswamier is appointed as chief Inspector.

4 The services of Mr. David have been temporarily placed at the disposal of the Jaipur Govt for a period of one year in the first instance, when he returns he will be appointed as Asst Inspector & Mr. Boulin as

Serial No.

junior Inspector. The probationer's place is not a permanent one. It is seen from the civil list that for 12 years more there will be no Vacancies against permanent appointments in the Mines dept and as such there seems to be no urgent need for the appointment of a probationer for atleast 9 or 10 years more.

For orders.

DCV Rey 20.5.37

4238/37

5 The question for Patni's confirmation may be taken up along with that for Duraiswamier and the files which is before the H. Secy.

6 As regards the new proposal, I have discussed the question with Messrs Duraiswamier & Rama Rao. The Geological dept cannot spare any officer whom the Mines could like to have. Moreover the present staff is just sufficient for the work in the Geological dept.

7 Two probationers will have Therefore to be recruited for the Mining dept as per proposals of the Chief Inspector

10 This is a small department and the possibility of absorbing two probationers in sanctioned vacancies early appears to be remote. One probationer may be sanctioned for the present. The need for the payment of a house-rent allowance is not clear. It need not perhaps be sanctioned. Even if it is considered to be absolutely necessary, it has to be limited to 10% of the pay or to Rs.10/-.

b Appointment of Probationers in the Department of Mines

137

Govt File No. 58 of 1936 | General and Revenue Secretariat

Serial No. 5

The Sanctioned strength of the Dept of Mines as per G.O dated 28/10/36 is stated below with the names of incumbents in those posts

1 Chief Inspector of Mines	800-50-1000	— Mr. C.E.S. Rao
1 Inspector of Mines	500-40-700	. K. Doraiswami Iyer
1 Asst Inspector of Mines	250-25-450	. V. Narayanaswamy
1 Junior Inspector of Mines	125-$\frac{25}{2}$-250	. J.P. David
1 Probationer	100 + 20 HR	. R.S. Balu

DEWAN'S OFFICE 17. 11 No. 1236

Mr. C.E Tirugnanasayanaswamy has retired from service and Mr. J.P. David is on deputation to Jaipur. Against these two places rendered vacant, two probationers are proposed to be appointed. There will thus be neither increase in the ~~strength~~ of appointments nor extra cost at present. (Vide also the last but one para of R.4.8)

But it may be stated that after the return of Mr. David from deputation the/ re-establishment (with the appointment of two probationers) will be increased by one hand and will thus result in extra expenditure on account of one probationer

The Council Secretariat who were consulted are of opinion that the proposal which results in the said appointment is a Council matter coming under Clause X of Schedule (Appendix B) – any material revision of establishment in any department.

Submitted with respect to Para 21 above

NOTE—Contn. Sheet.

Final Note by the Second Member of Council.

8

Subject.—

Appointment of Probationers in the Department of Mines and Explosives.

Consequent on the retirement of Mr.C.E.Suryanarayana Rao, Chief Inspector of Mines and Explosives and the loan of the services of Mr. J.P. David, Junior Inspector of Mines, to the Jaipur State, the strength of the gazetted staff of the Department of Mines has been reduced by two hands. It has therefore become necessary to recruit two probationers to the Department. It is proposed to invite applications from graduates in Geology or from holders of diploma in metal mining and entrust the selection to a Committee. The candidates selected will be given Rs.80 per mensem plus a house rent allowance of Rs.20 per mensem during the period of their probation.

P.W.D

Though the proposal does not involve extra cost at present, the sanctioned strength will be increased by one probationer on the return of Mr. David.

Para 14 of Rules

Off-for appl

The proposals have been agreed to by the First Member of Council. A draft Government Order sanctioning the above proposals is submitted herewith for the gracious approval of His Highness.

(1)

FROM

K. Duraiswamier, Esq., B.A., A.I.M.M.,
Chief Inspector of Mines and Explosives in Mysore.
(in-charge).

To

V. Vedavyasacharya, Esq., B.A.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Development Department,
B a n g a l o r e.

Sir,

I have the honour to state that the retirement of Mr.C. E. Suryanarayana Rao followed by the lending of the services of Mr.J.P.David Junior Inspector of Mines to Jaipur State has resulted in the reduction of the permanent staff of the Department by two officers. Assuming that the existing officers will be promoted seriatim, I beg to make the following recommendations for the consideration of Government.

N
Geol 62-36-8

In this office letter No.2504 dated 23-4-37, I have already recommended that Mr. R.S. Batni who has been working in the Department as Probationer for 6½ years and who acted as Junior Inspector of Mines during my deputation to South Africa be appointed in place of Mr.David. Now that the post of the Junior Inspector of Mines will become a permanent vacancy when Mr.David is promoted as Assistant Inspector of Mines, I request that Government may be pleased to confirm Mr. Batni as Junior Inspector of Mines and appoint him as Ag. Assistant Inspector of Mines in place of Mr. David. Mr. Batni's work in the Department has been quite satisfactory and I have no doubt that he will prove himself to be an efficient officer.

If the above proposals are approved, the posts of the Junior Inspector of Mines and the Probationer will remain to be filled. An officer of the Department of Geology may be temporarily transferred to this

this Department to fill up the vacancy of the Junior Inspector of Mines during the absence of Mr. David. In this connection, I may be permitte to point out that such an officer will not be able to carry out the duties of an Inspector of Mines without the necessary practical experi ence and working knowledge of deep mining and as such it will be necessary for any new officer to undergo preliminary training in the work of the Department. The Probationer however has to be appointed afresh, by calling for applications from graduates in Geology or from holders of Diploma in Metal Mining. A Special Committee may be appointe to make the selection. The period of probation may be fixed at two yea as on previous occasions. The candidate selected may be given a pay of Rs.80/- plus house rent Rs.20/- per month.

The appointment of a Junior Inspector and a Probationer do not involve any extra expenditure as provision has already been made in the next year's budget.

As the work of the Department is now being carried on by only three instead of five officers, I request that Government may be pleas to pass early orders in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

CHIEF INSPECTOR OF MINES &
EXPLOSIVES IN MYSORE.
(in-charge).

D.S.R.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Read-

G.O. No.1954-55/C.B.27-35-38 dated 11th February 1937 ordering the retirement of Mr. C.E. Suryanarayana Rao, Chief Inspector of Mines and Explosives, with effect from 26th March 1937.

2. G.O. No.D.6958-59/Geol.62-36-4 dated 16th April 1937 sanctioning the loan of the services of Mr. J.P. David, Junior Inspector of Mines, to the Jaipur State for a period of one year in the first instance on certain terms.

3. G.O. No.D.7678-79/Geol.62-36-13 dated 17th May 1937 sanctioning the appointment of Mr. R.S. Batni, Probationer, as sub-pro-tem Junior Inspector of Mines vice Mr. J.P. David.

4. Letter No.2655 dated 11th May 1937 from the Chief Inspector of Mines and Explosives stating that by the retirement of Mr. C.E. Suryanarayana Rao and the lending of the services of Mr. J.P. David to the Jaipur State, two permanent vacancies have occurred in the Department and forwarding his suggestions in the matter of filling up these vacancies.

....

5

Order No. 2158-61/Gen 58-36-3

The proposals of the Chief Inspector to promote the officers of the Department in the existing vacancies are reserved for separate consideration. His remaining proposals are-

6-9-37
Sd/ Mr. K. S. Rao

(1) that an officer of the Department of Geology be transferred temporarily to the Department of Mines to fill up the vacancy of the Junior Inspector of Mines during the absence of Mr. David; and

(2) that the post of Probationer be filled up by calling for applications from graduates in Geology or from holders of Diploma in Metal Mining, the selection being made by a special committee.
He adds that the appointment of a probationer will not involve any extra cost as there is provision for the purpose in the current year's budget.

Government consider that the suggestion to transfer an officer of the Geological Department as Junior Inspector of Mines is not feasible, as the staff in the Geological Department is just sufficient for the work of the Department. Under the circumstances, they are pleased to sanction the entertainment of two probationers each on a pay of Rs.80 p.m. plus Rs.20 p.m. house rent. These probationers will be selected by a committee consisting of the marginally-noted officers.

Chief Inspector of Mines & Explosives, (Convener)
Director of Geology,
Secy. to Govt., Dev. Deptt.

The committee is requested to invite applications from the candidates possessing the requisite qualifications and recommend ~~three~~ four names in the order of their preference for final selection and approval by Government.
